

## ***Driving Directions***

***Please note: We are located just outside the gates on the west side of the Refinery off of Haverhill Road, but we do not have a physical address. Please follow the directions below to get to our facility.***

***Our address is NOT 1401 S. Douglas Road!***

- (1) If using the Kansas Turnpike-Highway 35, there are two El Dorado turnpike exits.
  
- (2) You will want to get off at the US-254 exit. It is the second El Dorado exit if you are coming from the north or the first El Dorado exit if you are coming from the south.
  
- (3) When you get off the turnpike you will want to go to the traffic lights and go east into El Dorado.
  
- (4) The second traffic light you come to is in front of Walmart.
  
- (5) You will need to continue going to the east until you reach the next traffic light, which is Haverhill Road. You will turn right (south).
  
- (6) You will go past the college, drive-in and cemetery.
  
- (7) On the east side of the road, you will see a large red sign that says "Orientation Parking." We are in the northeast corner in a double-wide trailer. We will open the doors at 6:15 AM.

If these instructions are confusing, you can use "Map Quest" to find "Butler Community College," 901 S. Haverhill Road. We are approximately one mile south of the college on the east side of the road.
